TRANSFER OF PROPERTY TO THE BIG BEAR HISTORICAL SOCIETY APPROVED

The Board of Supervisors today unanimously approved the transfer of 1.65 acres of Big Bear Valley Recreation and Park District property to the Big Bear Historical Society.

“The Big Bear Museum provides a vital service in preserving the heritage of the Big Bear Valley,” said Supervisor Dennis Hansberger. “Approval of this property transfer today will allow the Historical Society to remain and continue their operation of the Museum.”

The transfer of the title to the Big Bear Historical Society will be at no cost to the Historical Society.
